Hello again, everyone,

November is the month we give thanks for our many blessings; for our friends and family, our communities and activities. It is a month to harvest the bounty of the earth and enjoy each other's company. I would like to propose we all give thanks for -- of course -- good eyesight and nimble fingers! But also that we thank the teachers and designers of the products we all love to employ. Without them, it would be a less colorful and delightful world for

us. Without their diligent work, we would have fewer gorgeous projects to launch and fewer reasons to get together.

So, three cheers for the professionals, and talented amateurs among us, who provide such pleasure! We will be gathering on the 21st of the month to celebrate our own holiday event and I look forward to catching up with each of you. There's nothing like a stroll around the worktables to harvest a little inspiration.

Until then, stitch

merrily and enjoy the season heartily,

--Vickie

UPCOMING PROGRAMS AND SPECIAL EVENTS

NOVEMBER - Annual Holiday Potluck Dinner and Gift Exchange

Each November we dedicate our chapter meeting to a festive gathering of fun, food and friendship! This year is no different. Hospitality

Chair Lea K. has promised a delightful array of food for our annual **Potluck**. It all depends upon you, if you haven't signed up to bring your special dish, please contact Lea to let her know what you'll be bringing.

Also, don't forget about the optional wrapped **Gift Ex-**

change. Bring a needlework treasure to share, under \$10 please.

SHOW AND TELL

- Bring holiday needlework that you like to display in your home this time of year. It can be something you stitched, something you received as a gift, something you inherited, something

you're going to give as a gift. And, of course, bring whatever else you've finished recently.

And to top off the evening, Program Chair Cynthia L. will be presenting the program schedule for 2012. Thanks Cynthia, we are looking forward to seeing what you've planned for us in the coming months.

Chapter Calling Cards

Thanks to the efforts of Julie S. and the Board, our chapter now has calling cards to hand out to prospective new members! The cards are available at our chapter meetings, so take a few and pass them along to anyone that may have an interest in joining our group. I

put my email address on the back of mine in the event someone would like more information before attending a meeting. Based on the design created by Jennifer R., these handy little "advertisements" were developed as a convenient way to distribute meeting

information about our Chapter. Take them along when you visit your local needlework shop, you never know who might be out there longing to join a group of friendly needle workers!

Important Reminders

HOSPITALITY SIGN UP Lea, our Hospitality Chair, is always in need of volunteers to bring refreshments to our Chapter meetings. Please let Lea know if you are able to bring snacks to the next meeting. Or sign up at the meeting to bring

something in the future.

FREEBIE BOX Do you have stash, needlework magazines or charts, gadgets and stitching gizmo's that you'd like to see used instead of just laying dormant? Then bring them to the monthly

general meeting for donation in the Freebie Box. Share with other members, you just never know what treasures may be waiting for you. All items should be stitch related. If your items do not find a new home, please pick them up at the close of the meeting.
